ARECONT VISION TECHNICAL UPDATE

Issued 30 November 2016

Number: TU-11/30/16 AV100Discontinued

AV100 Discontinuation

The AV100 software utility is discontinued effective immediately. As such, it is no longer available for downloading from the Legacy Software page on the Arecont Vision website.

All users should immediately halt all use of AV100 and delete existing copies of this software utility from your computer systems.

The camera web page, our AV200 software utility, and the AV IP Utility are the current Arecont Vision supplied and supported options for camera setup, configuration, and updating.

Both AV200 and the AV IP Utility are available for downloading from the Arecont Vision website at <https://www.arecontvision.com/software.php>.

For assistance, contact the Technical Assistance Center (TAC) at +1.818.937.0700 (select option #1) or email support@arecontvision.com. You may also visit the TAC Resource Center online at <https://arecontvision.com/resources.php>.
