**Los Angeles, CA** (October 4, 2017) – [Arecont Vision®](#), the industry leader in [IP-based megapixel camera technology](#), announces important changes to its field sales executive leadership to better position the company for continued growth. Arecont Vision has promoted three executives to larger roles as part of these changes.

“Arecont Vision continues to focus on the needs of our customers by providing the best and most innovative megapixel cameras in the industry,” said Scott Schafer, Executive Vice President, Arecont Vision. “I am extremely pleased to announce the promotions of Kyle Parker, Mitch Fagundes, and Paul Taggar to assignments where they can continue to drive the growth of Arecont Vision to deliver an even larger impact.”

**Kyle Parker** has been promoted to Vice President, Americas from his previous role as Vice President, North America Sales West.

Mr. Parker first joined Arecont Vision in 2013 as Regional Sales Director, North Central. His new assignment leading sales across the USA, Canada, Mexico, and Latin America is a reflection of Mr. Parker’s consistent success for Arecont Vision and the company’s customers and partners. Based in the greater Chicago, Illinois area, Mr. Parker is a graduate of Northwestern University, with a Master’s of Science, Marketing.

**Mitch Fagundes** has been promoted to Vice President, Global Strategic Accounts.

Mr. Fagundes most recently was the Director of Business Development for Arecont Vision, first joining the company in 2011 as Regional Sales Manager, Pacific Northwest.

Mr. Fagundes has been instrumental in the growth of Arecont Vision and the success of the company with major end user customers around the world. In this new assignment, he has global responsibility for strategic accounts, distributors, systems integrators, and both the A&E and consultant communities, uniting these key areas together for Arecont Vision for the first time. Mr. Fagundes is based in Fresno, California, and earned a Bachelor of Science in Business with an Entrepreneurship focus from California State University, Fresno.

**Paul Taggar** has been promoted to Managing Director of Europe.

Mr. Taggar has been the Arecont Vision sales leader for the UK and Ireland since 2012, demonstrating continued success in growing key relationships and sales revenue with integration partners, distributors, and end user customers. With this promotion, he is now responsible for all European sales activity and the leadership of his team across the region. Mr. Taggar resides in Leicestershire, in the East Midlands, UK, and is a graduate of the University of Leicester, with a degree in Business Studies.

**Sanjit Bardhan**, based in Dubai, UAE, continues as Vice President, Middle East – Africa – India. **Becky Zhou**, based at Arecont Vision corporate headquarters in greater Los Angeles, California, continues as Vice President, Asia-Pacific.
